

## A word from our Community Director

Good Day everyone, I hope that this note finds you well. I know that the last year has been a trying one for everyone and now finding the new "NEW" is different. We here on the Emmaus Board have been trying to find it as well and hope that this year we will all move forward in love, comfort for those around us, and with a renewed spirit that with God, Jesus, and the Holy Spirit is always with us, tough and easy times. We are working this year in hopes of a fall walk for 2021 and are monitoring and discussing all possibilities. I would encourage you to reach out to us and give us your prayer request, thoughts for the upcoming year, and we would love your contact info (even if we already have it) by emailing us at [info@nearthecross.org](mailto:info@nearthecross.org).

Please keep the Board in your prayers also as we navigate new waters and for the upcoming walk.

David Jordan,  
2021 Community Director

-Summer Turman

\*Walk To Emmaus is a spiritual renewal process that takes place over a three-day retreat with other Christians. The objective of Emmaus is to inspire, challenge, and equip the local church members for Christian action in their homes, churches, communities, and places of work. To donate, visit [gofundme.com/f/todds-morning-tradition](http://gofundme.com/f/todds-morning-tradition). Donations will help send men and women who do not have the financial support on the Walk To Emmaus retreat.
